A photograph of the Aurora Borealis (Northern Lights) over a snowy landscape. The sky is dark blue and green, with the aurora appearing as vibrant green and yellow streaks. The ground is covered in snow, and there are some small evergreen trees in the foreground. The text is overlaid in the center of the image.

**Si AMAS la TIERRA
Recicla y Conserva**

An underwater photograph showing a sea turtle resting on the seabed. The turtle's shell is a mix of brown and orange. In the foreground, a jellyfish with a translucent, white, umbrella-like structure is visible. The background is a deep blue ocean with some green algae or coral on the seabed.

Reciclar es más que una acción, es el valor de la responsabilidad por preservar los recursos naturales.
